

East Bolton Est

January 6th 2010.

Dear Mrs. Westland-Eby,

All new political change, whether it be at the Municipal, Provincial or Federal levels may bring fresh ideas and new ways of accomplishing them. On November 1st of last year, the electorate of East Bolton was called to vote on those values and ideas which were put forth in our electoral platform.

It follows that my remarks made during the Council Meeting of December 7th, 2009 were formulated in that regard and at no given moment were meant as a personal judgment on either yourself or Mr. Laurin, that which it appears you believe as stated in your letter of last December 16th.

I have always had a great respect for your dedication and the accomplishments that you have brought to our community over the years. Therefore I initiated the resolution to thank you for those efforts.

Nevertheless, if my remarks seemed offensive to you in any way, I am offering you my sincerest apologies and ask you to know that there was never a moment that they were meant otherwise.

My goal has always been and remains to work in a collaborative spirit for the greater good of our constituents.

Sincerely,

Royal Dupuis,
Mayor
